The Philippian Jailer

Today we're looking at the story of a jailer who found out what it meant to believe in Jesus. His life changed forever and he made a new start!

What are we doing today?

1. Paper chains—Jesus came to bring us freedom.
2. Family cutouts—God wants everyone to feel part of his family.
3. Thaumatrope—As the spinning slows, the prisoner is 'released'.
4. Friendship bracelets—A simple craft to remind us how the jailer became friends with Jesus.

Sunday Treat:

Read *The Very Hungry Caterpillar* by Eric Carle (Puffin, 2002) together and see how the caterpillar changed into something so much more beautiful. Think about how people's lives can become more beautiful when they start to be friends with Jesus.
